Depart from Tirana and head to Prizren, this one considered as the cultural capital of Kosovo. It has a rich history that dates back to ancient times and served as an important center during the Byzantine, Ottoman, and Yugoslav periods. The city has particular importance to Albania since the first government of a united Albania was established here -the Albanian League of Prizren.

Prizren's old town is characterized by cobblestone streets, Ottoman-era architecture, and historic buildings.

Some of the attraction sites that we are going to visit are:

- Sinan Pasha Mosque: This mosque is one of the most prominent landmarks in Prizren.
- The Albanian League of Prizren building
- Church of Our Lady of Ljeviš: A Serbian Orthodox church dating back to the 14th century.
- Prizren Fortress (Kalaja e Prizrenit): The fortress offers panoramic views of the city and its surroundings.
- Prizren's old town and much more...

Following a delightful lunch in the old town, our journey will continue towards the capital of Kosovo, Prishtina.

Finally we arrive in our last destination for the first day, Prishtina. The history of Prishtina is marked by various periods of rule and influences. In the 20th century, it became the capital of the Autonomous Province of Kosovo within the Socialist Federal Republic of Yugoslavia. Following the Kosovo War in the late 1990s, Kosovo declared independence in 2008, with Prishtina as its capital.

During our walking tour of the city center we will visit several places like:

- Newborn Monument: A symbol of Kosovo's declaration of independence.
- Mother Teresa Square: This central square is named after Mother Teresa.
- Imperial Mosque (Xhamia Mbretit): Dating back to the 15th century, this mosque is one of the oldest buildings in Prishtina.
- National Library of Kosovo: Known for its unique architectural design, the library is a prominent cultural institution in the city, and much more.
