Date:

1. Start of the day

- Pick-ups are arranged anytime from 09:00 to 10:00 at or very close to your hotel. The tour guide will greet you and you will be welcomed by a comfortable transportation vehicle.

2. Bovilla Canyon

- As you journey through the countryside of Albania, you will reach the Bovilla Canyons. Enjoy the beautiful nature views of the canyon. Take a short break for some pictures and a bit of stretch.

3. Bovilla Dam

- Drive up Bovilla Dam, an impressive structure towering at a height of 91 meters. This dam serves as the primary source for Tirana's electricity and water supply, drawing from the surrounding lake.

4. Gamti Mountain

- Embark on the hiking trail towards Gamti Mountain, where every turn reveals stunning views of the lake and the surrounding countryside. The hike includes intermittent breaks to rest and absorb the scenery. After approximately 25 minutes at an elevation of 850 meters the road ends and you will reach the only cafe in Gamti mountain. After this there is an additional 10-minute hike up the rocky slopes to reach the summit. Upon reaching the summit, you will encounter one of the most amazing views in Albania. Descend along the same path and, upon reaching the base, visit the river's shore.

5. Free Time

- End your day with some free time to enjoy a meal at a nearby restaurant or a snack you've brought along. After a day filled with adventure and stunning natural scenery, return to Tirana, where you'll be dropped off at your accommodation.
